Letter No 5273 of 11.10.99 from the Chief Engineer of Mysore for. heading for information & Co's No 591 of 2.10.99 for- warding an Estimate and of Rs 2613 being the probable Cost of Water Supply to the Barr Lines at Bangalore, and Enquiring whether the Supply proposed is absolutely necessary and if so how to provide the requisite Funds &c -

Submitted - Water should be provided - and. there is no particular hurry in this, as there are three good wells. about the place and a tank close by -
The work can be carried out next year if funds are not available in the present year - RE 14/10/99

- It is best with Plague on but increase I is absolutely necessary I have a water supply.
Please send the Estimate (Duplicate) for orders as to
Contents (important) ND

From

To

The Military Assistant
to the Govt of Mysore.

SIR,

I have the honor to forward the enclosed letter No 591 dated 2nd instant from the Chief Commandant, Mysore State Troops, together with the Estimate therein referred to, for the water-supply to the Barr Lines at Bangalore, and to enquire whether you consider the proposed water supply to the existing Lines absolutely necessary and if so, how you would propose to provide the requisite funds, none being available from the current year's Reserve grants for "Military Works" which have already been fully appropriated.

I have the honor to be
Sir,
Your most obedient Servt
